Studentbody Officers

This year, 1983-84, has been one of the greatest years in Granger's history. WE have accomplished much and I have appreciated the opportunity to lead the studentbody.

Being a Granger Lancer instills pride. Remember, one may physically leave Granger High School, but the loyalty and memories will always linger.

Good luck, Happy Days!

Lancers And Alumni Join At The "Rainbow's End"

Lancers old and new gathered together for a week of reminiscing and fun during September 13-17. Tuesday night began the festivities with the annual Queen's Tea in which the six finalists for Homecoming Queen were announced. Wednesday marked the Homecoming Parade down Lancer Way. The theme was "Movies" and the parade was highlighted by Shield Staff with it's portrayal of "History of the World" and Debate's rendition of "Attack of the Killer Tomatoes."

On Friday, the packed auditorium came alive as last year's Student Body Officers began the assembly. *Dave Johnston* and *Steve Aslami* brought back fond memories with the return of the Blues Brothers and their infamous "Food Fight" song. Other activities included the madrigals and alumni helping us "Remember" and the traditional class call. As the theme song "Rainbow's End" played in the background, the royalty was announced and Queen *Kerri Cottrell* knighted *Russell Dixon* as Sir Lancer. The Student Body Officers sponsored the dance which was held from 8-11 that night in the Stonehenge. Don Blair Photography artistically took the pictures and Delegation provided the music.

Granger Begins New Tradition By Crushing Cyprus

Lancer fans were rewarded with an exciting Homecoming Game in which Granger was victorious. Although the archrival Cyprus Pirates came out kicking, the awesome Lancer team had them down and out before halftime. The offense accumulated 34 points while the defense held Cyprus to 13. Halftime activities consisted of performances by Spirit Club, Excaliburs and Marching Band. Congratulations to the coaches and team for a great victory and thanks for making Homecoming great!

STUDENT LIFE

On Weekends Lancers "Turn It Loose"

Weekends are for getting all thoughts of school out of ones mind and letting the good times roll. We start off the weekend by going to a basketball game and afterwards cruise over to a local fast food joint such as McDonald, Arbys, or Burger King. Some people spend the rest of the evening watching the awesome Friday Night Videos, or the fantastic MTV Friday Night Video Fights.

If this isn't the agenda followed, then one might be found getting down at places like Night Trax or Xenon. Some go on dates which might include a movie, bowling, or some type of sports event. Then it's off to get pizza or ice cream after.

On Saturday mornings most Lancers are found sleeping in after a long Friday night out on the town. A few might be caught waking up to catch the smurfs, to listen to Count Down America, or to wash and wax their cruising vessels for the big night ahead.

After awakening, plans for the day might include hitting the slopes or going to catch a few rays at the Wild Wave depending on what time of year it is. Others spend their day shopping at one of the malls in the area. Some of the unlucky people might find themselves working at the local grease pit, doing housework, or running errands for their parents.

Saturday nights are usually reserved for dragging State, going to parties, or some Lancers choose to spend the evening watching videos such as Flashdance, An Officer and a Gentleman, Trading Places, or Raiders of the Lost Ark. While doing this they are munching on junk food with friends, or possibly jamming out to the latest tunes.

Many of the Lancers may be found attending church on their Sundays off. Others may be found sitting in front of the boob tube watching the weekend sports, or for the majority of the students here at Granger, Sunday nights are set aside for the "dreaded" homework that had been put off until the last possible moment.

So, as you can see, the students at Granger High have quite a bit to do if they put their minds to having fun. We suggest you step out and get radical. But if you haven't done some of the things we've mentioned, try a couple of them, they're a blast, or make up some of your own. Opa!

Fashions Individuality Through Student Expresses

This years fashion were dominated by "The Preppy Look." Even those students who weren't true Ivy League could be found wearing the garb of a prep. Items such as cardigans, shetland sweaters and socks, cropped pants, levi jackets and skirts could found in a preps wardrobe.

There were other people in the school who were comfortable in a T-Shirt from the concert of their favorite group and old levis.

Drop shoulder sweats were a style that was popularized by Jennifer Beals from the movie *Flashdance.* Students also enjoyed wearing Japaneses symbols on their shirts. Many people had shirts that had the look of leopard, tiger, and chetah skins. Skirts with snap of sleeves were very popular.

This years accessories were big and bold. Bright geometrical shaped earrings made outfits exciting. The long dangly earring was also popular. Bright belts also added to an outfits apperance.

The shoe styles were very soft and comfortable. There were plastic shoes, velcro closure shoes, saddle oxfords, top siders, and keds minus the laces.

Hair styles were very unique. There were people with mohawks, and others with two-tones and tails. Many times the tails were died colors like purple or orange or maybe they would get the color just opposite of their natural color. The girls chose to wear bobs.

Among the fads was Garfield craze. Garfield comic books, talking dolls were very popular amidst Garfield lovers.

Events To Remember

During the Christmas season, the Cabbage Patch dolls (which are ranked among the top 10 toys, caused mobs to storm the nations department stores. Violence and fraud occured in many cities as people used any device to get their hands on one of these kids. But despite the confustion and controversy surrounding them, the Cabbage Patch Dolls succeeded in becoming the hottest item of 1983.

Every four years, a spectacular event occurs which unites the world. Democratic and Communist countries combine to cheer their athletes to victory in several categories. This event is the Olympic Games, held this year in Sarajevo, Yugoslavia. The two weeks between February 7 and 19 were filled with downhill and cross country skiing, speed and ice Amidst controversy in the Nordic Combined and Women's Figure Skating, the United States won eight medals. The four silver medals were won by Kitty and Peter Carruthers in the Pairs Skating, Rosalynn Summers in Womens Figures, Steve Mahre in Slalom and Christine Cooper in Giant Slalom. The precious gold medals were achieved by four U.S. athletes: Bill Johnson and Phil Mahre in skiing, Scott Hamilton in Men's Figure Skating and Debbie Armstrong won the Giant Slalom. Millions were captivated by the outstanding performances of Britain's Torvell and Dean in the Ice Dancing. Two government supported countries took the top honors. East Germany won the most gold medals and Russia took the overall title.

Although additional reenforcements were needed, the well armed, well trained Cuban troops were defated. Large deposits of Soviet-made weaponry and ammunition were also found on the island.

The biggest doll to hit America's toy market since Barbie caused mass hysteria during 1983. The Cabbage Patch Kids, designed by Georgia sculptor Xavier Roberts, are fat with round cheeks, big eyes and pudgy arms and legs. Their ugliness adds to their popularity which stems from their uniqueness, unavailability, and a universal need that children have something and cuddle it. The dolls sell for $25 and come with a birth certificate and adoption papers. Their names are assigned by computer and derived from the Georgia state birth records of 1938.

Grenada, a small island in the Caribbean became a point of interest for many in the final days of October. On October 25, early in the morning, this tiny island nation was invaded by members of the United States Marine Corps and the U.S. Army Rangers. Their declared purpose: to protect the lives of 1,000 Americans trapped on the island after a bloody military coup. The assault began at 5:36 on tuesday with some 400 marines in troop helicopters. Thirty-six minutes later, hundreds of U.S. Rangers, the Army's elite special forces parachuted onto the uncompleted 10,000-ft. runway on Grenada's south-eastern tip. This runway, built by Cuban soldiers and Soviet machinery, was a major factor in the decision to invade. This runway would available for use with Soviet reconnaisance planes.

The U.S. Marine Corps took on a new responsibility with their deployment in Beirut, Lebanon. The 1,800 Marines, part of a multi-national force, called peace keepers, were given the responsibility of deterring war between the Israelis and the Syrians. Their job was a tough one, and on Sunday, October twenty-third, over 230 marines were killed by a suicide attack from unknown sources. A truck, loaded with approximately 2,000 pounds of TNT, crashed through the Marine headquarters and exploded. December 4, the U.S. sent the air strike into Lebanon, further complicating the matter. With the United States position in question, there was a call for withdrawal. In late February, the Marines were called home.

Arthur Bishop was accused of abducting and murdering 5 Utah children ranging in age from 4-13. At this writing, Bishop is awaiting trial, pending the selection of an impartial jury.

Early in the morning on September the first, 1983 a Korean airliner strayed over the borders of the Soviet Union. The Soviets scrambled their fighters, and at 3:38 a.m., a Soviet missle hit and shot down flight 007. On board were 269 passengers, with 47 of those being Americans. The 747 plunged into the Sea of Japan, and no survivors were found. The Soviets attempted to shift the blame by charging the U.S. with sending the airliner on a pre-planned spy mission. This incident caused a strain on U.S. - Soviet relations.

Taste In Entertainment Varies Among Students

This year the music industry was dominated by the sounds of Michael Jackson. Jackson won eight grammys in one night breaking the old record of six. Seven singles were cut from his #1 album *Thriller* including smash hits "Beat It" and "Billie Jean." He became a pioneer in video music with his 14 minute mini movie "Thriller" and has acheived mass popularity. The Police swept the rock scene this year with their album *Synchronicity* including the best song of 1983, "Every Breath You Take." Elsewhere around the music dial, Alabama was the favorite Country artist and the Fixx controlled the New Wave scene.

Twenty years ago, the U.S. experienced a British music invasion, and in 1983 the second invasion occured. Groups such as *Duran Duran, Madness, Thompson Twins, Big Country, Def Leppard* and many others arrived on the scene and took the nation by storm. They produced the New Wave craze in America and changed the look of their fans. The most controversial of the groups was *Culture Club* with lead singer, Boy George. Many people did not approve of his attire and over all appearance, but this did not stop the group's popularity, as they won a Grammy for the Best New Artist.

A variety of subjects were dealt with in this year's top movies. *War Games,* a show about a boy who starts a nuclear war while playing computer game, was the hit of the summer. The third saga in George Lucas' space series *Return of the Jedi* premiered in May. *Flashdance* was a teenage blockbuster and award winning *Gandhi,* documenting the life of Israel's great leader, was the best human interest movie.

Adventure shows ruled the world of television in 1983 Shows such as *The 'A' Team,* featuring Mr. T and *Magnum P.I.* starring Tom Selleck were favorites throughout the nation. *Simon and Simon* also scored high as did *Dynasty* with its mystical world of wealth and power. Keeping us informed was a top priority of the country and 60 minutes filled the job well.

Other things which kept the U.S. entertained were the video craz (MTV); and Dragons Lair, a new type of video game. The Broadway scene was dominated by a top musical "My One and Only" starring Tommy Tunes and Twiggy. Popping or breaking as it is referred to in the East became the hottest dancing in town.

CLUBS

Club Week And Announcements Get Lancers

Club Week is a week set aside to publicly recognize all the clubs at Granger and to aid in club participation. It is designed to help students get involved in clubs and clubs get involved in Granger. This year, club week was held October 17-21.

During the week, all of the clubs were recognized during the announcements. A stomp was held and an assembly was put on in which every club had the opportunity to participate. This year a new club named "Their Club" was formed. Everyone in the school who was not involved in any group, automatically became a member of "Their Club".

The main focal point of the year is the Dance Concert, held March 29 through April 2. These dedicated dancers practice long hours before and after school to prepare for the concert which contains a variety of dance styles and routines. Tryouts for dance company occurred in the late spring and a select few were chosen to be members. And Spirit Club Exceed All Expectations.

Spirit Club is a organization designed to promote school enthusiasm. This year, the club consists of 38 sophomores, 1 junior, 1 senior and two advisors; Marlena Ahanin and Rhondalee Anderson. The members attend all varsity football and basketball games and are required to wear their uniforms to school as well as to the games. They are also required to attend three minor sports each term to pass. Spirit Clubs' duties include making posters, decorating the teams' lockers and giving treats to the teams. They are also in charge of presenting the flag ceremony at every home game and they occasionally perform during halftime. Spirit Club requires a lot of hard work and dedication, but is a fun and rewarding experience.

The Home Show of 1984 featured a home built, designed, and decorated by several Granger High School students. Their advisor, *Greg DeHaan,* worked deligently with these students to have the house ready for the exhibition, occuring May 4th - 19th.

The House is located at 3285 So. 4573 W. Three bedrooms 1 3/4 bath, and a family room with a fireplace make up the 1,539 square feet of building which was appraised at $82,100.

In all, seven groups of students worked on the house. These groups include the students that built the house, the plumbing class, electrical engineering and masonry classes, tile setting and painting classes and home and interior design class.

Drama And Art

Besides their many parties and the loads of fun they have, the Drama Club puts in a lot of hard work. Some of the things they are participating in this year include Granger's musical "Hello Dolly", and the school play "Barefoot in the Park". They also traveled to Weber State College and Southern Utah State College in Cedar City to compete in dramatic and humorous readings.

Plunging into the year with a few trips around the valley to visit art shows, museums, and exhibits was just a start; Art Club also hosted a Photography Contest and a project of making and selling Christmas cards. Through this project, *Clint Sloan* a Granger High student, started his own project with Christmas cards.

Art Club may be new, but already they've put their mark on Granger.

The 1983-84 Honor Society officers worked hard to make this the best year ever, recruiting new members, collecting dues, and planning the banquet and induction ceremonies held in the spring. Led by Cathy Reese, the Honor Society strove for academic excellence. To be eligible for membership in the National Honor Society, a student must maintain a 3.5 grade point average and satisfactory citizenship.

This year's officers were Cathy Reese, president; Roland Springer, vice president; Karen Coray, secretary; Jane Hardy, treasurer; and Teri Johnson, Kim Olsen, Lynette Peterson, and Jamie Salmon, executive committee. At the beginning of the year, Honor Society was 80 members strong, with more students coming in each term. These students should be commended for their high achievement.

Making It

Preparing the weekly calendars, designing the shields in the halls and presiding over Lancer Forum meetings are some of the duties of Granger's Student Council. Every month, the members of Student Council hold the Lancer Forum, which helps students become better informed about school activities. March 5-9 was Student Council Week in which lunchroom activities and a stomp were held to promote school spirit. The council is made up of elected representatives from each class. This year's President is Mike Ayers with Lisa Hansen and Jeff Keller as Vice-Presidents, Shelly Devore filling the secretary position and Susan Smith serving as treasurer.

Assembly Highlights Week Of Welcome

With unity, spirit, and pride that will soar, the sky's the limit in "84." Lancers were greeted with this year's theme as well as many other activities during Hello Week. Beginning August 29 and continuing through September 2, this week of welcome was filled with hall decorating, lunchroom activities and a get acquainted stomp.

Friday marked the traditional Hello Assembly, with its theme being "commercials." After a brief skit by the 82-83 SBO's, the new Student Body Officers started things off with a rousing rendition of "We Love Granger High," and were formally introduced, as were the Class Officers, Cheer and Songleaders and Student Council. The 1983-84 Madrigals showed their talent by singing "Have a Good Day."

Later, Lancers were treated to a rousing football game in which Granger's football team upset the Alta Hawks. Even the rain couldn't put a damper on the enthusiasm of the fans. What a great way to end this week of welcome.

Hawiian Theme Brings Bountiful Harvest

Aloha! November 11 marked the annual Harvest Ball at Granger. The theme of the day was Hawaiian Harvest and it began with an A.M. assembly. Highlighted by the pop dancers, the assembly also featured a slide show, skits by H.E.R.O. and the Studentbody Officers and a performance by dance company. *Greg Shaw* was crowned King of the event with *Loren Simpson* as Knight and *Brian Moore* serving as Page.

Sponsored by H.E.R.O., the dance was held from 8-11 in the well-decorated Stonehedge. The theme "Till the Morning Comes" was performed by the band, Tapestry, along with the other popular selections. Leis were handed out and the Hawaiin backdrop, provided by Scott Adams Photography, added to the Hawaiian festivities.

Hello Dolly Makes Its Debut

The musical orchestra strikes up that familiar tune and the audience is transported to New York City, 1890; to the world of Dolly Levi Gallagher, the town's chief matchmaker, who is in the process of snagging herself a new husband. Hello Dolly hit the Granger High Auditorium on November 17 and played for three nights. Fine performances were made by *Kathy Goates* in the title role and *Shane Powers* as Horace Vandergelder. Highlights of the musical included the famous "Watchers Gallop", dinner at the Harmonica Gardens and dancing in the hat shop. *Dennis Nordfelt's* portrayal of Cornelius Hackel and *Darrin Christensen's* rendition of Barnaby Tucker added a comical tone to the play. The outstanding scenery and music added the final touches to this wonderful display of talent.

Class Of '84 Is Honored During Senior Week

"Heeeeere's *Billy!*"

The announcements of various awards dominated this year's Senior Assembly. Members of Yearbook Staff played "Match Favorites '84" and revealed the preferred classmates in 24 categories. Sterling Scholars were announced by advisor *Steve Smith* and royalty finalists received recognition by the Senior Class Officers. The SBO's resurrected Monty Python for their skit, while the Madrigals donned garbs of the Roaring Twenties to revive the saga of "Frankie and Johny."

The Capitol Rotunda was the site of Senior Ball, which occured the following evening. Events of the evening included pictures by Bartholomew, and the traditional royalty dance to the theme "Only You" performed by the band Sapphire. With the dedication of the Senior Class Officers and the spirit of the studentbody in mind, the Class of '84 will have fond memories of their Senior Ball.

Catch That Lancer Spirit

Granger made it great during Spirit Week which ran from January 30th to February 3rd. The class call on Monday began an event-filled week which included Hawaiian Day on Tuesday, and Freak-a-zoid Day on Thursday. Wednesday brought out the polyester as Lancers celebrated Nerd Day. *Richard Kunz* and *Roland Springer* won Granger's most authentic nerd contest. After school a pig out contest was held at McDonald's which senior *Jaren Higley* by eating four Big Macs. School Colors Day and an a.m. assembly featured tributes from each class to themselves and the other two classes. These skits as well as wall decorating and participation in the week's activities, propelled the seniors over the other two classes to win Spirit Week and show which class truely rules.

Will You Accompany Me?

Granger High School is known for its great dances. One reason for this popularity is the Lancer's original methods of asking and answering each other for a date to the dances. Some of the ideas popular at Granger this year include decorated signs, singing telegrams and notes inside food or balloons. A few Lancers showed their creativity by kidnapping teddy bears or pillows and holding them for ransom. Other ideas involve fortune cookies, treasure hunts, puzzles and frozen messages in ice. If Granger's students are as creative during the date as they are asking for it, Lancers have had many original evenings this year.

Excellence In Education

VICE-PRINCIPALS

The great thing about high school is that it lives in us forever. Years from now when you meet new friends, one of the first items of conversation will be "Where did you go to school?" "When did you graduate?" "Oh yea, did you know ?" or "did you know — ?" Inevitably you will discover a mutual friend. What great experiences you will remember as you turn from page to page in this book ... teachers, friends, classes, activities, and clubs! This yearbook will keep your memories fresh and clear, Granger High School will exist for a lot more year. But it is nothing without you and the things you accomplished here that make Granger's existence meaningful.

Be proud — Have pride in yourself, your family, your friends, your school and your nation. Pride is an American ideal, a strength to lean on in stormy times. I am proud of you, of the contributions you have made to Granger High School, of the proud legacy Granger will always be in your life. Return to your Alma Mater often through the years and mentally relive the strength and knowledge you obtained here — your preparation for your future. "Cherish your yesterdays — Dream about your tomorrows — Live your todays."

Cheer And Songleaders

This years varsity cheerleaders led Granger in spirit and victory. *Edie Tiedemann* was head cheerleader this year and led them well. They have achieved much this year with the school spirit and spreading it around so everyone can really feel what it's like to be a Lancer. The cheerleaders organized pep assemblies and other activities to help get the studentbody excited for the up coming games. *Martha Cole* was their adviser this year and did an excellent job with all of them.

Sir Lancer Promotes Granger Spirit

Being Sir Lancer this year has been a unique experience. I have made many new friends and met some very interesting people. I've had some fun experiences cheering at games and getting people to show their spirit. I think that whoever wants to be a mascot or cheerleader should try out because it's a great way to get involved. I will always remember the year we had in '84, and I'll always like the year of '84 the best.

This year's varsity football team kicked off to a victorious season. They lost only three of their eight games, and took third place in region. They qualified for state play-offs but lost a very close game to Roy. Four players; *Randy Weise, Joe Allen, Gene Tafoya,* and *Mike Wilding* were all-region players. *Randy Weise* made first team in All-State 3A with *Gene Tafoya* and *Joe Allen* recieving honorable mention. *Mike Fraser* was the coach. The Junior Varsity Football team had a fine season, accumulating a perfect record of 8-0 and capturing the Region Crown. Being on the team provided a good experience for all who participated and gave these juniors the opportunity to grow and further their football skills. Coach Rob Flygare commented "It was one of the greatest seasons in the history of Granger." Also providing coaching services were Wes Wilken and Chad VanOrden. Special recognition is given to this team for being only the third team in twenty-six years to go undefeated.

According to captains *Jeff Willardson* and *Manuel Fabela,* sweeping rivals Kearns and Cyprus twice was a highlight of the varsity basketball season. This team of six seniors, four juniors and three sophomores comprised a region record of 5-5 and an overall record of 10-10. This small but determined team won their last three games to capture third place in Region and a state playoff birth. The team participated in two tournaments: Box Elder and the Green Sheet in which they took second place. There were many bright spots in the season, the most memorable being a one point win over Cyprus on a controversial technical foul. *Scott Iverson* coached this fine team, with Ed Gray and *Mike Fraser* assisting.

As the 83-84 school year comes to a close and the finishing touches are added to the Shield, I would like to thank the people who put this book together, the Shield Staff. Their individual and combined efforts made this the best yearbook ever. They all did a suburb job and deserve a great deal of thanks: *Terri B.* for her help and support as Assistand Editor; *Debbie, Sherrie* and *Teri* for the fantastic job they did on the sports section; *Lisa* and *Amy* for all of the great copy in the book; *Kris* for the most terrific group index ever; *Donalynn* for the outstanding Student Life, Senior Favorites and Class sections; *Billy* for his fabulous layouts; *Lynda* and *Kerri* for the incredible activities section; *Gary* for his award-winning photography; *Pat* for his gorgeous cover design and artwork; *Craig* and *Julie* for making sure the pictures got taken; *Gina, Denise,* and *Cindy* for their patience with the index.

Special thanks also goes to the administration for the support they always gave us; the people at *Don Blair's; our representative Jon Wilhelmsen;* and our "Mom" who was always there with advice and candy kisses.

As a staff we share wonderful friendships and memories of:

-initiation
-Yearbook Camp
-Snowball fights
-*Lynda* breaking her nose in the middle of deadline
-Thanksgiving dinner
-Christmas decorations and Pat's portrayal of Santa Claus
-*Donalynn's* imitation of Boy George
-*Gary's* party
-Deadlines until 10:00 p.m.

Happy Reading,

The Granger High Shield Volume XXVI, was designed by Shield Staff and was published by Jostens American Yearbook Company. There were 1800 copies printed with 232 pages per copy. The cost of each book was $15.00 and was completed on March 9, 1984. There was a total of 5 deadlines:

November 11, 1983

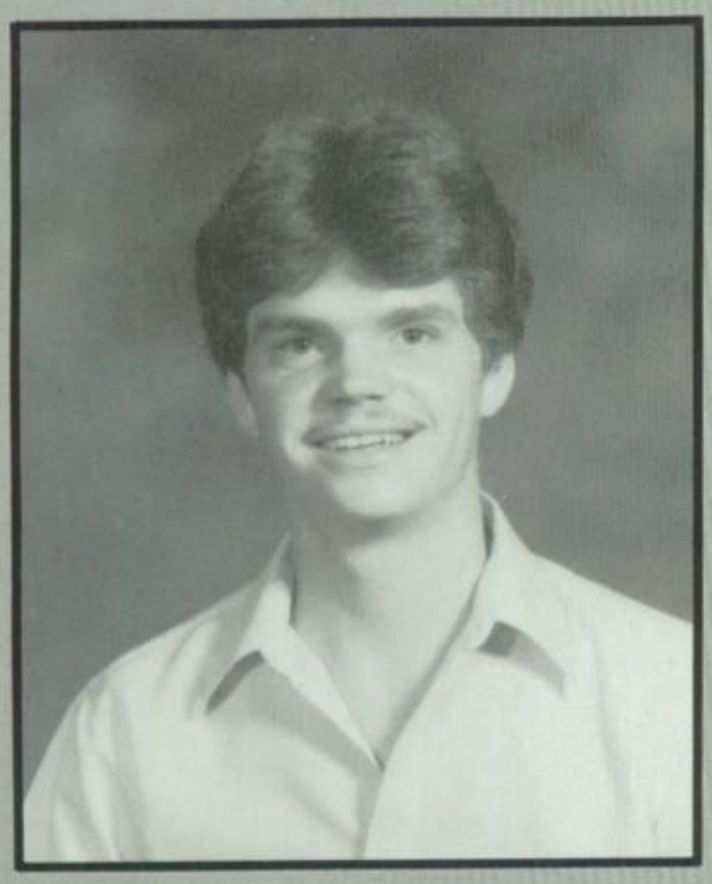
Granger easily defeated the much taller East High Basketball team to advance to the consulation finals. Congratulations to our Basketball team and to the coaches for an excellent job well done!!

P.S.S. We hope you've enjoyed this yearbook as much as we've enjoyed putting it together. Opa!

In Memory Of. . .



Sometimes it's hard
To understand
Why some must go so young,
Before they've time
To dream their dreams,
Before their songs are sung,
Could there be greater
Work for them,
Or possibly release
From something where
They cannot find
An answer to their peace?
It must be that our lives
Are planned,
"We have a time to go"-
May faith help us
To understand
What we can't see or know
